Please complete for each Lagoon to be completed for this Project

Company Name:					
Address:					
City:		State:		Zip:	
Company Contacts:				Title:	
Tel.:		Fax:			
E-Mail Address:					
Geographical Location of Project:					
Description of Lagoon:					

Dimensions of Lagoon:

Long X		Wide X		Deep X	
--------	--	--------	--	--------	--

Describe lagoon sides and floors (i.e., is it lined, concrete, earthen, are there rocks present, tree roots, tree stumps, swamp grass, cattails, trash, etc.):

Is the Lagoons easy accessible: Circle Yes No		Complete turn around : Circle Yes No	
Width of Berms	ft	Width of grass ways	ft
Width of Access Roads		ft	
How High are the dikes above lagoon floor?		Ft.	
Materials to be dredged on this project are:			
Loose and free flowing:			
Hard and compacted:			
Toxic:		PH:	
Abrasiveness:			
Specific Gravity:		Viscosity:	
Percent Solids:			
Is water standing on top of lagoon?		How much?	Ft.
Is make up water available?			
Is sludge or solids settled on lagoon floor?		Ft.	
Maximum discharge distance :		Ft.	Elevation Change: Ft.
Maximum digging depth:		Ft.	Range of tide, if any: Ft.
What flow is required pump performance:		GPM	
Total cubic yards of material to be dredged:			
Time allowed to do project?			

Additional information on this project:
